The Slide-Out Rangehood (WRH608IS) has 2 washable filters, easy control, recirculation and slimline design, to keep your house odour-free!

Product Details

FEATURES

Washable filters	Easy control	Recirculation	Slimline design suitable for integration
2 x filters	3 fan speeds	Top ducted	Front re-circulating option

BENEFITS

Easy control
With no switches to make cleaning easy, the light & fan speed is automatically operated by simply sliding the front trim forward.

Recirculation
The rangehood can recirculate into the kitchen if it is not possible to duct to the exterior. Carbon filters are recommended for recirculation.

Slimline design suitable for integration
Designed for integration, the front trim can be installed flush with the cabinetry or be removed and replaced with the cabinet material for total integration.

Washable filters
Multi-Layered, micro mesh filters that are easily removed for cleaning

Specifications
