90cm 5 zone induction cooktop with MaxiZone, FlexZone, 14 stage slide controls, Stop & Go and Hob2Hood capability.

Product Details

FEATURES

MaxiZone	FlexZone	Hob2Hood technology	Touch and slide controls Touch the control bar at the necessary heat setting
STOP + GO function	Timer and minute minder	Auto warm-up function	Auto pot detection

BENEFITS

Enjoy the space and freedom to cook what you want
Use large pots and pans like a professional chef. The extra large MaxiZone on this hob gives you the freedom to effortlessly prepare all kinds of dishes that need a large pan with consistent heat, like that delicious paella youve been wanting to cook.

When 2 become 1
Create a single large cooking surface, ideal for making the most of plancha grill plates or roasting pots. FlexZone combines 2 separate cooking zones, including the temperature and time settings, for ultimate flexibility.

The hands free hood
When paired with a compatible Electrolux extractor hood, the Hob2Hood automatically switches it on as you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

Control at your fingertips
The touch controls on this hob lets you heat up, down or switch off immediately. Just gently slide your finger across the control to the temperature you need and you can be confident it will respond right away, so you can create delicious meals effortlessly. The Stop & Go feature offers a useful keep warm setting if youre unexpectedly interrupted.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Cooktop type	induction
Materials/Colour	black ceramic glass

DIMENSIONS

Total product height (mm)	55
Total product width (mm)	910
Total product depth (mm)	520
