Electrolux E:Line IOI electric stainless steel oven with 12 oven functions

Product Details

FEATURES

Mark-resistant stainless steel

Programmable oven timer

Duo electric oven with 12 oven functions

Unique IOI™ technology* – no manuals required

80 litre gross oven capacity

BENEFITS

Intuitive by design.
In order to make cooking simpler we watched how people use their ovens in real life and learnt from chefs who use programmable cooking. By doing so we have removed complexities, and designed our ovens to be intuitive to use. We call this IOI™

Catering any occasion is a breeze.
This large capacity 80 litre oven will make catering for every occasion quick and easy, while energy use is kept to a minimum

We've thought about you
The myriad of ways we've thought about you when designing this oven include multi-position rack settings, telescopic grills, baking trays and split grill inserts to make cooking easy

E:Line kitchen design
The Electrolux E:Line Collection is striking, almost sculptural in appearance. With bold lines, and manufactured from stainless steel and pewter tone glass, all Electrolux E:Line appliances share a common design aesthetic to create harmony in your kitchen

Specifications
