BENEFITS

<p>Half Grill and Half Barbecue Design</p> <p>Whether you are grilling wagu or barbecuing prawns, the AEG Plancha gives you the control to create perfect meals when entertaining friends or preparing a dinner for two, thanks to the half grill, half barbecuing design of the cooking plate.</p>	<p>Induction Ready Cast Aluminium Composite Design</p> <p>Rapid and even heat distribution across the entire cooking surface on induction cooktops is achieved with the aluminium composite cast design of the Plancha. Being made from an induction ready aluminium composite means the Plancha is light-weight and easy to handle, providing a perfect cooktop barbequing experience.</p>
<p>Triple Layered Non-Stick Coating</p> <p>Experiment with a variety of cuisines and healthier food options with the triple layered non-stick coating used on the AEG Plancha. The triple layer ensures food does not stick to the cooking surface and makes for an easy clean-up. Unlike lower quality non-stick products, with the AEG Plancha you will only need to use oils for flavouring your food.</p>
