

## A coiled stainless steel gas line with a central shut-off valve, two brass fittings, and a warning label. The valve is a circular metal component with a handle and four mounting screws. The hose is made of braided stainless steel. There are two brass fittings: one is a 1/2" NPT female fitting with a lock nut, and the other is a 1/2" NPT male fitting with a lock nut. A warning label is attached to the hose, which reads "ATTENTION" and "NATURAL GAS". The label also includes a small diagram of the gas line and a warning about the dangers of gas leaks.

## Product Details

### FEATURES

---

For a qualified gas service agent to convert your BBQ from LPG to Natural Gas.

---

### BENEFITS

---

Enjoy bottle-free BBQ gas  
Convenient continuous natural gas supply without the hassle of changing over bottles.

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
