Swedish Design and Manufacture

This product has been designed and manufactured in Sweden to the highest quality standards you'd come to expect from the market experts.

---

Suits Most Electrolux Vacuum Cleaners

As well as suiting the UltraSilencer machines, the s-bag Classic Long Performance is the original standard synthetic vacuum bag designed for most ELECTROLUX vacuum cleaners: AirMax/GREEN, Bolido, Clario, Clario2, ErgoSpace/GREEN, Essensio, Excellio, JetMaxx/GREEN, Maximus, Mondo Plus, Oxy3system, Oxygen, Oxygen+, Superpro, UltraOne/GREEN, UltraSilencer/GREEN, Viva Control, Viva Quickstop.

---

TUV Certified

The TUV Rheinland Group has independently tested and awarded certification of performance of the s-bag CLASSIC LONG PERFORMANCE.

**High Filtration Capacity**

s-bag Classic Long Performance filters up to 99% of particles as small as 1 micron (15 times smaller than the diameter of a human hair).

**More Suction Power**

s-bag CLASSIC LONG PERFORMANCE is made from resistant synthetic material that results in optimum air flow and allows your vacuum cleaner to maintain constant suction power as the dustbag fills up.

**Long Lasting Performance**

s-bag CLASSIC LONG PERFORMANCE lasts 50% longer than traditional paper dustbags.

**Rid Homes of Allergens and Bacteria**

s-bag CLASSIC LONG PERFORMANCE filters the air 40% more efficiently than a traditional paper bag and assists in ridding homes of airborne particles such as allergens and some bacteria.

**Easy to Change**

s-bag CLASSIC LONG PERFORMANCE has been designed with special folding and a unique patented cardboard making the bag easy to fit in the cleaner.

**Hygienic Closing System**

s-bag CLASSIC LONG PERFORMANCE automatically seals when removed, preventing spillage and making bag changes clean.

**15% Greater Capacity**

The Electrolux s-bag with innovative folding allows for 15% greater capacity than flat synthetic bags.

**Exceptional Cleaning Efficiency**

Cleaning efficiency is not reduced as the synthetic s-bag fills. Performance is maintained till the moment the dustbag is full.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
