---

MultiZone Deli compartment  
Designed to isolate odours  
and seal in freshness,  
discover the perfect place to  
store your artisan cheeses,  
cured meats and deli items  
safely away from other  
ingredients.

Twist ice and serve

Half-width dairy compartment  
with lid

Bottle bins  
Clever storage for bottles.

---

### BENEFITS

---

#### ENERGY SAVINGS MADE SIMPLE

Delivering the highest Electrolux energy rating yet, the 6-star energy rated refrigerator with inverter technology and vacuum insulation is engineered for the ultimate energy efficiency. Now you can consume less electricity and save on power bills, without compromising refrigerator performance.

#### TIMELESS STYLE

The matt black design radiates understated timelessness that seamlessly enhances any kitchen aesthetics, whether modern, contemporary, or traditional. The sleek integrated side pocket handle maintains a smooth design flow and simplifies every act of opening and closing a true mark of sophisticated design meeting daily practicality.

---

#### CLEAN, HYGIENIC STORAGE

TasteGuard deodoriser uses a carbon filter to help keep your fridge fresh, hygienic, and free from unwanted odours that can change the taste and smell of your food.

#### EVENTEMP. TASTY FOOD.

EvenTemp keeps your food tasty for longer by minimising temperature fluctuations. By cooling each shelf individually, a consistent temperature is maintained throughout the entire compartment, preserving taste and texture for longer.

---

**FRESH FRUITS AND VEGETABLES**

TasteLockAuto Crispers do what they say they do lock in taste automatically. These sealed crispers with automatic humidity control help maintain the right humidity levels for fruit and vegetables, removing excess moisture, reducing condensation and keeping your produce fresher for longer

**OPTIMISE FRIDGE ENERGY EFFICIENCY**

Activate the EcoMode function during periods of less frequent fridge use and absences from home, such as vacations. EcoMode maintains an optimal temperature while saving power and being mindful of the environment.

---

**ENERGY-SMART TECHNOLOGY**

Electrolux refrigerator technology delivers greater energy efficiency and quieter noise level\*, while enhancing fridge performance, durability, and longevity. The Inverter Compressor automatically adjusts the running speed in response to cooling demand creating a constant, optimal food storage temperature using significantly less energy\*\*. \*Tests by eurofins Thailand Laboratory on compressor running noise level.\*\* Internal tested single speed compressor compared to Inverter compressor.

**CUSTOMISABLE DOOR DESIGN**

Customise your fridge just the way you want it. FlexStor makes it simple to arrange the fridge to your needs with adjustable door bins and shelves. Different sized compartments effortlessly accommodate items big or small.

---

## Specifications

### PRODUCT PROFILE
