Twist ice and serve	Half-width dairy compartment with lid	Bottle bins Clever storage for bottles.	

BENEFITS

ENERGY SAVINGS MADE SIMPLE
Delivering the highest Electrolux energy rating yet, the 6-star energy rated refrigerator with inverter technology and vacuum insulation is engineered for the ultimate energy efficiency. Now you can consume less electricity and save on power bills, without compromising refrigerator performance.

FRESH FRUITS AND VEGETABLES
TasteLockAuto Crispers do what they say they do lock in taste automatically. These sealed crispers with automatic humidity control help maintain the right humidity levels for fruit and vegetables, removing excess moisture, reducing condensation and keeping your produce fresher for longer

CLEAN, HYGIENIC STORAGE
TasteGuard deodoriser uses a carbon filter to help keep your fridge fresh, hygienic, and free from unwanted odours that can change the taste and smell of your food.

EVENTEMP. TASTY FOOD.
EvenTemp keeps your food tasty for longer by minimising temperature fluctuations. By cooling each shelf individually, a consistent temperature is maintained throughout the entire compartment, preserving taste and texture for longer.

OPTIMISE FRIDGE ENERGY EFFICIENCY

Activate the EcoMode function during periods of less frequent fridge use and absences from home, such as vacations. EcoMode maintains an optimal temperature while saving power and being mindful of the environment.

ENERGY-SMART TECHNOLOGY

Electrolux refrigerator technology delivers greater energy efficiency and quieter noise level*, while enhancing fridge performance, durability, and longevity. The Inverter Compressor automatically adjusts the running speed in response to cooling demand creating a constant, optimal food storage temperature using significantly less energy**.*Tests by eurofins Thailand Laboratory on compressor running noise level.** Internal tested single speed compressor compared to Inverter compressor.

CUSTOMISABLE DOOR DESIGN

Customise your fridge just the way you want it. FlexStor makes it simple to arrange the fridge to your needs with adjustable door bins and shelves. Different sized compartments effortlessly accommodate items big or small.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Additional domestic warranty for the sealed refrigeration system only (yrs)	3
Refrigerator Type	bottom mount
Exterior door finish	Silver
Handle design	integrated
Fridge door opening	right
Cooling system	frost free
Refrigerant	R600a
Compressor	Inverter

DIMENSIONS

Total height (mm)	1725
Cabinet height (mm)	1705
Total width (mm)	796
Cabinet width (mm)	790
Total depth (mm)	723
Cabinet depth (mm)	641
Depth door open 90degree (mm)	1457
Air space above cabinet (mm)	50
Food Compartment Capacity (L) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	351
Freezer Compartment Capacity (L) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	145
Total Capacity (L) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	496

DIMENSIONS

Food compartment capacity (gross in litres)	362
Freezer compartment capacity (gross in litres)	167
Total Gross Capacity (L)	529

ENERGY

Energy Star Rating - AS/NZS 4474.1 2007 (IEC 62552- 2015) *	6.0
Energy Consumption (kWh/year) - AS/NZS 4474.1 2007 (IEC 62552-2015) *	254

REFRIGERATOR SYSTEM

Controls	electronic (with display)
Controls location	internal
Controls type	touch
Control functions	drink chill alarm,freezer temp alarm,holiday mode,eco mode,fast ice function,boost mode
