## BENEFITS

---

Professionally inspired  
Professionally inspired with mark resistant stainless steel doors, stunning full length handles, on classic curved doors, the new Electrolux models are built to impress!

Everything in its place  
Organising your fridge contents is easy with innovative design features such as crispers and deli compartments to protect your delicate food items.

---

Smart slide away shelf  
The front half of this shelf slides neatly under the rear - perfect for storing tall items. It can be located at any level of the fridge interior allowing you to easily modify the fridge to suit your needs. Perfect for parties or special occasions

Non-synthetic refrigerant  
R600a is a non-synthetic refrigerant with a significantly lower global warming potential and shorter life in atmosphere than the hydrofluorocarbon R134a used in most conventional fridges
