Frost-free

With the Electrolux frost free system, there's no more ice build up in your fridge or freezer, eliminating the need for defrosting.

Multi-flow air delivery

With an intelligent airflow system that evenly disperses air to ensure optimum temperatures, your food will be kept fresher for longer.

Separate temperature

controls for fridge and freezer

Door bins with twist bottle holder(s)

Versatile bottle holder can act as a separator or hold one bottle securely

BENEFITS

Non-synthetic refrigerant

R600a is a non-synthetic refrigerant with a significantly lower global warming potential and shorter life in atmosphere than the hydrofluorocarbon R134a used in most conventional fridges

Professionally inspired

Professionally inspired with mark resistant stainless steel doors, stunning full length handles, on classic curved doors, the new Electrolux models are built to impress!

Sophisticated modular design

The professional, sophisticated look of a modular designed stainless steel fridge; a true reflection of your taste and lifestyle

Smart slide away shelf

The front half of this shelf slides neatly under the rear - perfect for storing tall items. It can be located at any level of the fridge interior allowing you to easily modify the fridge to suit your needs. Perfect for parties or special occasions
