

The highest ever energy classification for Electrolux Heat Pump Dryers, caring for our planet with this 8kg 10-star energy rating. Gently dry even the most delicate items. Gentle woollen care with energy efficiency.

Product Details

FEATURES

Stainless Steel Drum

The stainless steel drum ensures fabric slides on its surface, not getting caught or causing tears.

Connectivity

Get Connected via the Electrolux app for better, more convenient clothes care.

SensiCare

SensiCare dynamically measures and adjusts the drying time to protect garments from over drying.

Hygiene

The Hygiene cycle dries while removing up to 99.9% of common bacteria and viruses.** Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 (Test Report No. 20212038).

Woolmark Green

Woolmark Green certifies energy efficiency during drying for gentle wool care

DelicateCare

DelicateCare perfectly cares for even your most delicate garments.

AUS 10E Star

With its exceptional 10-star rating, this dryer is designed to maximise energy efficiency and minimise costs.

BENEFITS

STEEL DRUM FOR RELIABLE DRYING

The stainless steel drum ensures optimal reliability while tumble drying, ensuring fabrics slide on its surface and don't get caught or snagged causing tear. Treating all your garments with delicate care.

APP-CONNECTED CLOTHES CARE

Link your appliance to the Electrolux app to enjoy the ease of remote control. Get real-time status updates, resource-saving advice and garment care tips with Connected.

DRY AND PRESERVE YOUR CLOTHES

SensiCare measures the temperature and humidity within the drum and dynamically adjusts the time accordingly, so garments are protected from over drying.

REMOVES BACTERIA AND VIRUSES*

The Swisstest verified Hygiene cycle runs above 60°C, drying while sanitising items, removing up to 99.9% of common bacteria and viruses.* Now you can dry duvets, pillows and clothes with confidence.* Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swisstest Testmaterialien AG in 2021 (Test Report No. 20212038).

EFFICIENT WOOLLEN CARE

Confidently dry your most precious woollen garments that are labelled machine or handwashable. Our Woolmark Green certified dryers meet specified criteria that protects wool fibers from damage during the drying - helping to preserve your woollens for longer . We have taken Wool care to the next level by pioneering eco-friendly and sustainable drying alongside gentle care with Woolmark Green certification

TAILORED DRYING FOR DELICATES

The DelicateCare Heat Pump Dryer adjusts the temperature and motion of the drum to specific fabrics, ensuring tailored care. Silks retain their shape, woollens resist shrinking and waterproofing is protected. Woolmark Blue certified.

10-STAR ENERGY EFFICIENCY

Delivering the highest ever energy rating for Electrolux, the 10-star UltimateCare Plus Tumble Dryer is designed to maximize energy efficiency and minimize your power bills. How? Heat pump technology recycles hot air to significantly decrease energy consumption. Improved airflow and insulation reduce heat loss, while moisture sensors and intuitive dryer software programs automatically adjust cycles to further optimize your energy usage.
