--------------------	---------------	-------------------	--------------------------

Pet Nozzle	2 in 1 tool	Flexi hose, long crevice and upholstery nozzle	Accessory holder
------------	-------------	--	------------------

Clip on Handle

BENEFITS

Combination nozzle for clean floors
The Combination nozzle provides efficient dust and dirt removal on both hard floors and carpets. Its convenient foot-operated mechanism makes switching cleaning modes effortless, saving you time and effort.

Cyclone Separator: 2X longer suction power
The cyclone separator reduces* interruptions, while the easy-to-empty, 2L dustbin lets you use the 500 Bagless Cleaner longer between trips to the rubbish bin.*Based on Internal test according to IEC 62885-2 edition 2.0:5.1,5.10 and 5.12

Easy emptying without making a mess
The messiest part of vacuuming just got easier and cleaner. Simply empty the bin with one hand, designed for hassle-free disposal and minimal contact with dust from start to finish.

Ergonomic design meets compactness
Make cleaning day easier with the ergonomically designed cleaner. Experience effortless movement with large wheels, a compact size, and a 8-metre long action radius. Its compact design also ensures convenient storage when not in use.

Thoroughly clean home
The filter captures up to 98.9%* of microdust particles above 1.0 microns, giving you the peace of mind of living in a clean home environment.*Based on external test according to EN779 2012: initial fractional efficiency on particle size above 1.0 microns.

Easy cleaning of pet hair
The PET nozzle is designed to effectively remove animal hair from carpets, beds, and textiles. It ensures easy cleaning of pet fur and other dirt.

Specifications
