

A built-in freezer offering 300L of frost free vertical freezer storage. Designed to fit seamlessly into your kitchen while providing energy efficiency. Pair with Electrolux single door refrigerator (ERM3701WD) for the perfect built-in offering.

Product Details

FEATURES

Wire baskets with clear fascia
Makes finding items simple.

Seamless integrated design
Seamless integrated design

More environmentally friendly R600a refrigerant
R600a is a non-synthetic refrigerant, with a lower global warming potential than conventional refrigerants used in most fridges.

Superior organisation
Superior organisation

Spillsafe™ glass shelves

Interior freezer light

Frost-free
With the Electrolux frost free system, there's no more ice build up in your fridge or freezer, eliminating the need for defrosting.

Multi-flow air delivery
With an intelligent airflow system that evenly disperses air to ensure optimum temperatures, your food will be kept fresher for longer.

Twist ice and serve (removable)
make ice with ease and cool drinks at a twist

Ice cube storage bin

Available in right and left hand opening

BENEFITS

Lower Global Warming
R600a is a non-synthetic refrigerant with a significantly lower global warming potential and shorter life in atmosphere than the hydrocarbon R134a used in conventional refrigerators and freezers

Simple and effortless
The frost free feature makes everyday operation simple and effortless

Feature packed
Feature packed with adjustable Spillsafe™ glass shelving, freezer draws and twist ice server; ensuring you'll always be the host with the most.

Place for everything
The new freezer drawers, glass shelving, and multiple storage compartments ensures a place for everything
