

A built-in freezer offering 300L of frost free vertical freezer storage. Designed to fit seamlessly into your kitchen while providing energy efficiency. Pair with Electrolux single door refrigerator (ERM3701WE) for the perfect built-in offering.

Product Details

FEATURES

Frost-free

With the Electrolux frost free system, there's no more ice build up in your fridge or freezer, eliminating the need for defrosting.

More environmentally friendly

R600a refrigerant
R600a is a non-synthetic refrigerant, with a lower global warming potential than conventional refrigerants used in most fridges.

Professionally inspired

European styling

Multi-flow air delivery

With an intelligent airflow system that evenly disperses air to ensure optimum temperatures, your food will be kept fresher for longer.

Twist ice and serve (removable)

make ice with ease and cool drinks at a twist

Adjustable Spillsafe glass shelves

Interior freezer light

Seamless integrated design

Seamless integrated design

Full-width freezer baskets

BENEFITS

A genuinely stylish solution

Unlike some existing sliding integration kits, Electrolux offers a genuine built-in solution with no door alignment issues and a seamless trim finish to integrate perfectly with the rest of your kitchen.

Clever freezer storage

Cleverly designed to maximise storage space and make organisation simple, the separate freezer baskets allow you to store food as it suits you. Plus, the clear front ensures nothing is ever stored and forgotten.

Flexibility and more with Spillsafe glass shelves

Enjoy the convenience of adaptable interiors. The adjustable Spillsafe glass shelves offer great flexibility and can be altered to suit your requirements. Whats more, the shelves contain spills to help minimise mess and cleaning.

Simple and effortless

The frost free feature makes everyday operation simple and effortless
