

A 360L Modular Vertical Freezer with elegant square line design, stainless steel finish, outstanding interiors, more environmentally friendly refrigerant and best-in-class energy efficiency.

Product Details

FEATURES

More environmentally friendly R600a refrigerant
R600a is a non-synthetic refrigerant, with a lower global warming potential than conventional refrigerants used in most fridges.

Multi-flow air delivery
With an intelligent airflow system that evenly disperses air to ensure optimum temperatures, your food will be kept fresher for longer.

Frost-free
With the Electrolux frost free system, there's no more ice build up in your fridge or freezer, eliminating the need for defrosting.

Mark-resistant stainless steel door finish

Stylish flat stainless steel doors

Door close assist
Helps to close the fridge door and ensures your food keeps fresher for longer

Adjustable Spillsafe glass shelves

Professionally inspired European styling
Professionally inspired European styling

Match to ERM4307SD

Full-width freezer basket on easy glide slides

Hidden hinges

BENEFITS

Freedom to mix and match

With 10 different Electrolux Modular fridges and freezers to choose from, you can create up to 25 combinations for a customised solution that meets your unique style. Whether you choose a single or modular combination, you'll be sure to find a model to perfectly match your kitchen and lifestyle.

Non-synthetic refrigerant

R600a is a non-synthetic refrigerant with a significantly lower global warming potential and shorter life in atmosphere than the hydrofluorocarbon R134a used in most conventional fridges

Keep food fresher, longer

Our intelligent airflow system provides the ultimate in freshness. Designed to disperse air evenly throughout the fridge to ensure an optimum temperature, the airflow creates a cold wall that is evenly drawn through the refrigerator compartment. The result is fresh food that lasts a whole lot longer.

Mark-resistant stainless steel

With an invisible, mark-resistant coating to help protect the exterior from fingerprints and grime, it couldn't be easier to keep your fridge in pristine condition.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Additional domestic warranty for the sealed refrigeration system only (yrs)	3
Refrigerator Type	vertical freezer
Exterior door finish	Stainless steel
Handle design	bar handle
Fridge door opening	left
