

Easy to use and adaptable to any cleaning task, whether it is cleaning floors or cleaning up high or below surfaces.

Product Details

FEATURES

Cyclonic technology

Improved cyclonic separation, longer* filter life. Measured versus previous 600 Cordless cleaner with dust container loaded with DMT (standard test) dust, according to IEC 62885-4

5-step filtration

Captures up to 99% of fine dust from surfaces. *Based on internal test according to IEC 62885-4 for particle sizes 0.3-10 micrometre.

Adaptability

Switch tasks easily with quick-release hand unit & foot nozzle. Charge, and store with floor stand.

Uninterrupted Clean

Up to 40 minutes* of continuous cleaning. *Based on internal tests according to IEC 62885-4 measuring run time on min mode.

Easy bin emptying

Empty 0.5L dustbin with one touch without dust clouds and bottom release for effortless disposal.

Performance Bristle

Thorough results with up to 99%* dust pick up. Based on internal tests according to IEC 62885-4.

BENEFITS

Single cyclone technology

The improved cyclonic separator reduces filter clogging, resulting in sustained optimal performance. Get up to 2 times* longer suction performance before you need to change the filter. *Measured versus previous 600 Cordless cleaner with dust container loaded with DMT (standard test) dust, according to IEC 62885-4

A CLEANER HOME

Enjoy a cleaner home thanks to the 5-step filtration system that captures up to 99%* of microdust particle sizes 0.3-10 microns. *Based on internal test according to IEC 62885-4.

Adapts swiftly to clean needs

Easily switch between cleaning tasks with the quick-release hand unit and foot-release nozzle, adapting smoothly to any surface. Store and charge your cleaner with the wall mount or floor stand, keeping spaces neat and tidy.

CLEAN MORE IN A SINGLE CHARGE

Enjoy uninterrupted vacuuming with up to 40 minutes* of nonstop cleaning. This is perfect for efficient, hassle-free cleaning sessions. *Based on internal tests according to IEC 62885-4 measuring run time on min mode.

Single-touch bin emptying

Easily empty the 0.5-litre dustbin with just one touch of a button no dust clouds and no mess. The bottom release of dust makes disposal simple and quick for a clean, fresh home with minimal effort.

POWERFUL PERFORMANCE FOR ASSURED RESULTS

With its unique bristles, the PowerPro multi-surface nozzle delivers a powerful performance and dust pick-up up to 99%* on hard floors with one double stroke on fine dust.*Captures up to 99%* of microdust particle sizes 0.3-10 microns on internal tests according to IEC 62885-4.

Specifications

MAIN

Brand	Electrolux
Product Type	Battery Instant
PNC	900402338
EAN/UPC	7333394038421

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
