### BENEFITS

---

#### ADVANCED FILTRATION

Advanced five-step filtration removes 99.99%\* of micro dust particles from captured air as you vacuum, for a cleaner and healthier home environment.\*Internal tests according to EN60312-1:2017 standard#0.3 to 10 micrometre

#### FRESH, FUR-FREE FURNISHINGS

The PetProPlus nozzle thoroughly removes stubborn pet hair and deeply cleans dust and dirt from upholstery and soft furnishings. For quick, effortless cleaning of the brush roll, the QuickBrushClean features push-and-pull-design easily detangles and removes hair captured in the nozzle.

#### DURABLE, HIGH SPEED MOTOR

The vacuums durable, high speed digital motor now delivers up to three times\* the motor lifetime, so you can enjoy your hard-working appliance for longer.\*Internal test compared to Well Q7 series.

#### THE HARD FLOOR EXPERT

The PowerPro Hard Floor Nozzle picks up every kind of dirt, from fine to larger dust particles, in one go. As you vacuum, the fluffy roller inside the nozzle gives hard surfaces a gentle polish, to give floors a satisfying sheen.

**VERSATILE VACUUMING**

The high performing PowerPro Multi-surface Nozzle helps thoroughly clean any type of floor with ease and helps collect dust. The BrushRollClean™ nozzle helps maintain the appliance with a simple press of a button.

---

**FAST, EASY ACCESS**

The quick-release Grab & Go function lets you grab the handheld unit from the wall charging station for fast, efficient clean-up, requiring no assembly. Release the hand unit with just a push of a button, while the tube and nozzle stay attached on the wall mount, allowing ease of use with just one hand.

---

**FIVE TIMES\* THE SUCTION POWER**

An effortlessly powerful clean is now in your hands. With five times\* the suction power at 150AW, you'll enjoy thorough cleaning results on every surface, from quickly vacuuming unexpected messes, to a deep clean to ensure a healthier home. \*Based on internal tests for suction power on hand unit according to IEC 62885-2, compared with Well Q7 series.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
