

Performance Filter Kit (Wet) for UltimateHome 300 Robotic Vacuum + Mop

Product Details

FEATURES

Advanced filtration

Long Lasting Performance

Washable filters

Easy maintenance

BENEFITS

ADVANCED FILTRATION

The advanced 3-step filtration system efficiently removes up to 99.99% of dust particles* for a more hygienic and healthier home environment. *Measured on fine particle filter for particles bigger than 0.35 micrometre based on ISO 15E and ISO20E according to ISO29463.

FILTER PERFORMANCE KIT

This Robotic Performance Filter Kit maintains your robotic vacuum cleaner to optimise filtration of fine household dust ensuring an exceptional clean for longer.

EASY FILTER MAINTENANCE

We recommend you check your vacuum cleaner filters regularly to ensure ongoing optimal performance. Simply wash the filters when visibly dirty and replace them every 12 months.

PROTECTION FOR A LONGER LIFE

The filter protects your robotic vacuum from damage caused by fine dust. This will help maximise the lifespan of your vacuum so you enjoy exceptional vacuuming results for longer.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
