| Touch and slide controls Touch the control bar at the necessary heat setting | Pause cooking with Stop and Go | 24 MJ wok burner | Dual Flame control |
| One hand ignition | LP conversion kit included (must be installed by licensed tradesman) | | |

BENEFITS

MATCH THE METHOD TO YOUR MEALS

Enjoy the speed and precision of induction cooking but also love the performance of gas? With this versatile combination of induction zones and a high power gas burner, you can tailor your cooking technique to your culinary repertoire with ease.

EVEN FRYING. AUTOMATICALLY.

SenseFry measures heat levels and makes automatic adjustments under the pan to maintain the ideal temperature for even cooking results. Now its easy for you to whip-up evenly browned pancakes and juicy steaks at home.

SEAR. STIR-FRY. BOIL.

The PowerBoost function gives you an intense heat boost when needed, before automatically dropping to the highest power level. Perfect for pan searing fish, stir-frying crunchy vegetables, or bringing water to the boil quickly.

COMBINE ZONES FOR MORE FLAVOUR

The Bridge function allows you to combine two separate cooking zones to create a single large surface. With the temperature and time settings automatically aligned, its ideal for making the most of planchas or roasting pots.

INTENSE HEAT RICH TASTE

The powerful 24 MJ wok burner provides the intense heat needed to lock in flavours and textures when stir-frying at high temperatures.

HANDS-FREE HOOD

Hob2Hood automatically switches on your extractor hood when you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

Specifications

PRODUCT PROFILE

| | |
|--------------------------------------|---------------------|
| Domestic warranty details (yrs) | 2 |
| Cooktop type | hybrid |
| Materials/Colour | black ceramic glass |
| Removable trim (for cleaning) | No |
| Wok included designed to fit cooktop | No |

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
