

60cm 4 zone induction cooktop with PowerBoost, auto off and touch control. COMMERCIAL SALES EXCLUSIVE

Product Details

FEATURES

PowerBoost

PowerBoost gives you an intense heat boost to bring water to the boil quickly.

Auto pot detection

Pot detection sensors illuminate the controls that match the cooking zone.

AutoOff

The AutoOff function will automatically shut off the hob if it detects that something is amiss.

Induction

Induction only heats directly beneath the pan, making it quick, easy-to-clean, efficient, and safe.

Power management

Power management redistributes the electrical load to prevent electrical outages.

BENEFITS

SEAR. STIR-FRY. BOIL.

The PowerBoost function gives you an intense heat boost when needed, before automatically dropping to the highest power level. Perfect for pan searing fish, stir-frying crunchy vegetables, or bringing water to the boil quickly.

PLACE POT, ACTIVATE CONTROLS

Let the hob adapt your cooking style, not the other way around. Sensors automatically detect where you place pots on the cooking surface and illuminate the controls, making it easy for you to control each specific area.

SAFE. FAST. EFFICIENT.

Induction technology only heats the area directly beneath the pan, while the surface area around it remains cool. This means that induction hobs are safer and easier to clean than traditional cooktops, as spillages don't burn on. Induction is also faster and more energy efficient, so you can create delicious dishes in less time with less energy.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Cooktop type	induction
Materials/Colour	black ceramic glass
Removable trim (for cleaning)	No
Wok included designed to fit cooktop	No

CONTROLS

Controls of Cooktops	touch
Position of controls	front
Functions of Cooktops	automatic switch off,PowerBoost
Indicators/display	fault indicator
Features of Cooktop	hot surface indicator,safety cut off,safety child lock,auto pot sensors

DIMENSIONS

Total product height (mm)	51
Total product width (mm)	590
Total product depth (mm)	520
Cut out width (mm)	560
Cut out depth (mm)	490

ELEMENTS/BURNERS

LEFT FRONT ZONE

Left front zone	induction
Left front Watts	2300
Left front boost watts	3200
Left front diameter mm	210

LEFT REAR ZONE

Left rear zone	induction
Left rear watts	1400
Left rear diameter mm	140

RIGHT FRONT ZONE

Right front zone	induction
Right front Watts	1400
Right front diameter mm	140

RIGHT REAR ZONE

Right rear zone	induction
Right rear watts	1800
Right rear diameter mm	180

ELECTRICAL SPECIFICATIONS

Connected load KW	6.5
Type of connection	hardwired

SHIPPING

Shipping Volume (m3)	0.49
Shipping Weight (Kg)	12
Pack Dimensions Height (mm)	118
Pack Dimension Width (mm)	680
Pack Dimension Depth (mm)	600
