

60cm 4 zone induction cooktop with SenseFry, Bridge zone, PowerBoost and Hob2Hood capability

Product Details

FEATURES

SenseFry

Bridge function

PowerBoost

Hob2Hood technology

Touch and slide controls
Touch the control bar at the
necessary heat setting

STOP + GO function

Auto warm up function

Timer and minute minder

Auto pot detection

Child lock
The child lock can be turned
on to prevent children
tampering with the electronic
controls.

BENEFITS

EVEN FRYING. AUTOMATICALLY.

SenseFry measures heat levels and makes automatic adjustments under the pan to maintain the ideal temperature for even cooking results. Now its easy for you to whip-up evenly browned pancakes and juicy steaks at home.

COMBINE ZONES FOR MORE FLAVOUR

The Bridge function allows you to combine two separate cooking zones to create a single large surface. With the temperature and time settings automatically aligned, its ideal for making the most of planchas or roasting pots.

SEAR. STIR-FRY. BOIL.

The PowerBoost function gives you an intense heat boost when needed, before automatically dropping to the highest power level. Perfect for pan searing fish, stir-frying crunchy vegetables, or bringing water to the boil quickly.

HANDS-FREE HOOD

Hob2Hood automatically switches on your extractor hood when you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

SAFE. FAST. EFFICIENT.

Induction technology only heats the area directly beneath the pan, while the surface area around it remains cool. This means that induction hobs are safer and easier to clean than traditional cooktops, as spillages don't burn on. Induction is also faster and more energy efficient, so you can create delicious dishes in less time with less energy.

INTUITIVE TOUCH CONTROLS

Sensitive touch controls take you from simmering to boiling and back again, almost instantly. This controllability allows you to apply precise changes that can take your dishes from tasty to truly delicious. Pan-sear steak with intense heat, and then instantly drop the temperature down to protect that beautifully juicy, medium-rare texture.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Cooktop type	induction
Materials/Colour	black ceramic glass
Removable trim (for cleaning)	No
Wok included designed to fit cooktop	No

CONTROLS

Controls of Cooktops	Touch and Slide controls
Position of controls	front
Functions of Cooktops	stop and go,automatic warm up,timer,Keep warm function,cooking timer with acoustic signal,automatic switch off,Hob2Hood,PowerBoost
Indicators/display	fault indicator,3 level residual heat indicator

DIMENSIONS

Total product height (mm)	55
Total product width (mm)	590
Total product depth (mm)	520
Cut out width (mm)	560
Cut out depth (mm)	490

ELEMENTS/BURNERS
