Touch and slide controls Touch the control bar at the necessary heat setting	Timer	Auto warm-up function	STOP + GO function
Acoustic signal Confirms use of the control panel	Residual heat indicators all zones Indicates which area is too hot to comfortably touch.	Child safety device	

BENEFITS

High performance induction technology
Have complete control with precise cooking. Cook from simmer to a boil instantly while using induction technology. Providing the ultimate in safety induction cooking generates heat in the cookware, so surfaces around the pot are cool to touch. The cooking environment remains cooler and is therefore safer too. The surface is also easy to clean, as spills can be simply wiped away.

PowerSlide
With Electrolux PowerSlide, youll enjoy an enhanced cooking experience and instant control. Choose between three different preset heating zones simply by sliding your pan across the hob. Perfect for when you need to make quick heat changes to create a dish, simply slide your pan over the different heat zones for full control in the kitchen.

FlexiBridge
Our new FlexiBridge induction cooktop gives you the ultimate in freedom and flexibility. With a special four-segment cooking area, you can choose your cooking layout or combine all four segments for one of the largest single cooking areas available. Plus optimised heat distribution ensures great results every time.

Hob2Hood
With our innovative Hob2Hood technology you can effortlessly control your kitchen environment as you cook. This smart technology allows a compatible rangehood and hob to seamlessly work together to instantly get rid of unpleasant cooking odours. As you increase the heat, the temperature sensors automatically adjust your hood to your cooking intensity.

Ultimate in safety and comfort
Induction cooking generates heat in the cookware, so surfaces around the pot are cool to touch, and the cooking environment remains cooler. The surface is also easy to clean, as spills are simply wiped away

Child lock
Enables the control panel and functions to be locked, in case of curious little fingers.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Cooktop type	induction
Materials/Colour	black
Removable trim (for cleaning)	No
Wok included designed to fit cooktop	No

DIMENSIONS

Total product height (mm)	55
Total product width (mm)	780
Total product depth (mm)	520
Cut out width (mm)	750
Cut out depth (mm)	490
