Chrome plated roasting rack

### BENEFITS

---

Intuitive by design.

In order to make cooking simpler we watched how people use their ovens in real life and learnt from chefs who use programmable cooking. By doing so we have removed complexities, and designed our ovens to be intuitive to use. We call this IOI™

Cooler touch triple glazed door

Featuring an innovative door cooling system with triple glazed door panels designed to minimise heat being transferred outside the oven and ensuring a cooler touch oven door

Removable inner door panels for an easy clean

In order to make cleaning your oven even simpler, the new range of Electrolux E: Line ovens offer an effortless cleaning solution as it is easy to remove the door and take apart the inner glass panels

We've thought about you

The myriad of ways we've thought about you when designing this oven include multi-position rack settings, telescopic grills, baking trays and split grill inserts to make cooking easy

E: Line styling for perfect integration

The compact range was manufactured using the same quality materials and linear design features as the successful E: Line range

Catering any occasion is a breeze.

This large capacity 80 litre oven will make catering for every occasion quick and easy, while energy use is kept to a minimum
