UltimateHome 500 Air Purifier

Product Details

FEATURES

Easy to use	Carbon filter	Air Surround	Low noise level
Connectivity	4-step filtration		

BENEFITS

REMOVES ODOURS AND SMOKE
The activated carbon air filter assists in the removal of odours and up to 94% of harmful gases such as TVOCs* (Total Volatile Organic Compounds), which are emitted by household products such as paint, cleaning supplies, and tobacco smoke*. The filter absorbs and traps the gas particles to help prevent them from circulating in your air, creating a fresher home environment.*Tested to GB/T standard against 9 gases for TVOC efficiency.

CLEANER AIR, QUIETLY
The barely perceptible 20 dBA noise level is comparable to the gentle sound of soft rain* so it wont intrude on your quiet relaxation time at home. *Noise pressure at lowest fan speed; measured at 1 meter in front.

CONNECTED CONVENIENCE
Precisely monitor and manage the air quality in your home from anywhere to optimise your family's wellbeing when you're out, and to ensure you always come home to cleaner, healthier air. The connected Electrolux App allows you to remotely check the particulate matter levels, PM2.5, in your home air and then adjust settings accordingly. For instance, you can adjust fan speed, deem your air quality indicator lights or enable child lock.

PURIFIED AIR FOR BETTER LIVING
Enjoy the pure peace of mind that comes with assured air quality. With the PureProtect four-stage purification system, your air passes through a pre-filter, antibacterial coating, HEPA 13 filter, and carbon filter. This combined protection removes up to 99.9% of captured harmful bacteria* and up to 99.99% of H1N1 virus**, and micro-dust, filtering particles as small as 0,3 micron (m)*** in size. The air purifier is SGS-certified to provide relief from allergy discomfort by removing up to 99% of airborne allergens found in your home air. Its time to relax and breathe in purified air.*Tested for Escherichia coli, Staphylococcus aureus, Klebsiella pneumonia, Aspergillus Niger by a third party according to AHAM standard, 2022.**Tested for H1N1 influenza virus by a third party according to JEM and GB standard, 2022.***Filter media tested to NIOS TEB-APR-STP-0059 (2019) at SGS. Tested to JEM/GB-T standards against 9 gases for TVOC efficiency.

ENJOY PURIFIED AIR WITH EASE

With the holistic approach of its Scandinavian design roots, Electrolux creates an air purifier that is both beautiful and effortlessly functional. New design details enhance ease of operation, including a convenient cable holder, sensor window, and push-button filter replacement.

Specifications

MAIN

Brand	Electrolux
Product Type	Air Purifier
PNC	956006902
EAN/UPC	7333394011233
Model/Part number	EP53-47SWA
Replaces model	FA41-402GY
Description	UltimateHome 500 Air Purifier
Warranty Period	2 years

DESIGN

Main colour	Shell White
Handle	-
Wheels	-
Rubber Feet	-
Portable	-
Wall Mountable	-

CONTROLS

Electronics	Touch U.I. & LED Display
Control position	Top of Unit
Filter indicator	Yes
Standby lamp	Yes

PERFORMANCE

Room Coverage (m^2)	54
CADR m^3/hr	419
Lowest Noise Level (dB)	20

CONTROLS

Wifi / App	Yes
Remote Control	No

TECHNICAL SPECIFICATION

Fan Speeds	5 Speed
Stages of Filtration	4 Stage Filtration
Air Purification	PM 1 / 2.5 / 10 / TVOC
Ioniser	No
Pre-Filter Mesh	Yes
Antibacterial Filter	Yes
Deodorization Filter	Yes
Child Lock	Yes
Light Sensor	No
PM Sensor	Yes
TVOC Sensor	Yes
Temperature Sensor	No

PACKAGING & LOGISTICS

SINGLE PACKAGE

Gross weight (kg)	7.5
Package width (mm)	370
Package depth (mm)	370
Package height (mm)	640
Max units in 20 ft cont.	318
Max units in 40 ft cont.	666

TECHNICAL SPECIFICATION

Humidity Sensor	No
RFID Sensor	No

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous productdevelopment, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes theproducts that are being offered for sale.
