Product Details

FEATURES

Door alarm

Frost-free

With the Electrolux frost free system, there's no more ice build up in your fridge or freezer, eliminating the need for defrosting.

Multi-flow air delivery

With an intelligent airflow system that evenly disperses air to ensure optimum temperatures, your food will be kept fresher for longer.

Mark-resistant stainless steel door finish

Separate temperature controls for fridge and freezer

Fast freeze

Rapidly freeze large amounts of food, without affecting your fridge's temperature

Freezer baskets with clear fascia

Makes finding items simple.

Full length designer bar handles

Adds style and elegance to your kitchen.

Extra wide fridge compartment

Two door freezer compartment

Keeps your freezer working more efficiently.

4 castors

Adjustable spill safe glass shelves makes cleaning spills easier

External electronic control

This great feature gives push button fridge and freezer temperature control, as well as offering a bottle chill alarm, door alarm, quick chill function and holiday mode settings.

Vacation (holiday) mode

reduces energy wastage when the fridge is not being used for an extended period

Twist ice and serve (removable)

make ice with ease and cool drinks at a twist

More environmentally friendly

R600a refrigerant
R600a is a non-synthetic refrigerant, with a lower global warming potential than conventional refrigerants used in most fridges.

Child lock

The child lock can be turned on to prevent children tampering with the electronic controls.

BENEFITS

Total Control

The separate temperature control allows you to customise the temperatures in both your fridge and freezer to suit your lifestyle

Extra wide fridge compartment

Unlike side by sides, the fridge compartment is not divided. This creates an oversized fridge interior (770mm wide) large enough for the bulkiest items

The ultimate in style

From the designer bar handles to the stainless steel finish, there is no compromise with this sophisticated design

Ideal for galley or narrow kitchens

The elegantly symmetrical four half-width doors require less space to fully open.
