BENEFITS

E:Line kitchen design

The Electrolux E:Line Collection is striking, almost sculptural in appearance. With bold lines, and manufactured from stainless steel and pewter tone glass, all Electrolux E:Line appliances share a common design aesthetic to create harmony in your kitchen

Clean the Air

Maintain a clean fresh air in your kitchen with powerful centrifugal extraction. Multi-layered micro-mesh filters effectively capture and extract grease, while optional carbon filters remove cooking odours leaving your kitchen fresh

Powerful boost

Sophisticated electronic controls include a powerful and convenient boost option. During heavy duty cooking, the boost function can be used to maximise the fan speed for 1 minute to effectively clear the air, before returning to the previous fan setting

Entertain without Interruptions

You can enjoy dining without the distraction of cooking smells, smoke and unwelcome noise with this effective yet quiet rangehood. Extremely powerful or quietly effective as required, this canopy will keep the air in your kitchen clear
