

52cm integrated rangehood with Hob2Hood, 720m3/hr extraction rate, 3 fan speed plus PowerBoost, and dishwasher safe filters. ONLY AVAILABLE COMMERCIALLY

Product Details

FEATURES

| | | | |
|------------------------------------|--------------|------------------|-------------------------|
| Max airflow of 720m3/h | Hob2Hood | Delay off | PowerBoost |
| 4 speed fan | LED lighting | Filter indicator | Dishwasher safe filters |
| <hr/> | | | |
| Auto thermal cut-out safety switch | | | |

BENEFITS

The hands-free hood
When paired with a compatible Electrolux cooking hob, Hob2Hood automatically switches it on as you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

EXTREME EXTRACTION WHEN YOU NEED IT
When your kitchen fills with smoke or strong aromas, PowerBoost kicks into high gear for maximum extraction power instantly, clearing the air fast so you can keep cooking without the haze or lingering smells.

FRESH AIR EVEN AFTER YOU'RE DONE
Our delayed shut off keeps your hood running for a few extra minutes after cooking, clearing away lingering steam and odours. So your kitchen stays fresh and clean, without you lifting a finger.

Specifications

PRODUCT PROFILE

| | |
|---------------------------------|---------------------------|
| Domestic warranty details (yrs) | 2 |
| Type of Rangehood | integrated under cupboard |
| Nominal width (cm) | 52 |
| Finish of Rangehood | stainless steel |
