

**52cm integrated rangehood with Hob2Hood, 720m<sup>3</sup>/hr extraction rate, 3 fan speed plus PowerBoost, and dishwasher safe filters. ONLY AVAILABLE COMMERCIALY**

## Product Details

### FEATURES

---

Max airflow of 720m<sup>3</sup>/h

Hob2Hood

Delay off

PowerBoost

4 speed fan

LED lighting

Filter indicator

Dishwasher safe filters

Auto thermal cut-out safety  
switch

---

### BENEFITS

---

#### The hands-free hood

When paired with a compatible Electrolux cooking hob, Hob2Hood automatically switches it on as you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

#### Extra extraction

When intensely fragranced foods such as onions and garlic hit smoking oil in the wok or pan, it's time to use PowerBoost. Simply increase the airflow for a minute to prevent strong odours from lingering.

#### Clear the kitchen air

When you are done cooking and activate the switch off the hood option, the hood will initiate the delay-off function, keeping the hood on for a little longer. With the built-in timer, the hood will continue to eliminate odours and ensure that your kitchen remains smelling fresh after you have finished cooking. So while you are eating, the hood will turn off automatically after 5 minutes.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
