A built-in refrigerator, offering 370L of frost free refrigeration. Designed to fit seamlessly into your kitchen, while providing energy efficiency. Pair with Electrolux single door freezer (EFM3001WE) for the perfect built-in offering.

Product Details

FEATURES

Fresh Sense deodoriser
Keep your fridge and its contents smelling fresh with the in-built Fresh Sense deodoriser.

More environmentally friendly R600a refrigerant
R600a is a non-synthetic refrigerant, with a lower global warming potential than conventional refrigerants used in most fridges.

Multi-flow air delivery
With an intelligent airflow system that evenly disperses air to ensure optimum temperatures, your food will be kept fresher for longer.

Adjustable Spillsafe glass shelves

Frost-free
With the Electrolux frost free system, there's no more ice build up in your fridge or freezer, eliminating the need for defrosting.

14 egg tray holder
14 egg tray holder

2 Adjustable front rollers and 2 rear rollers

Half-width dairy compartment with lid

Deli drawer
Isolates odours and provides storage for speciality foods

Seamless integrated design

Adjustable door bins

Deep bottle door bins

Door bin with twist bottle holder

Best in class energy efficiency

Bottle caddy

BENEFITS

A genuinely stylish solution
Unlike some existing sliding integration kits, Electrolux offers a genuine built-in solution with no door alignment issues and a seamless trim finish to integrate perfectly with the rest of your kitchen.

Keep food fresher, longer
Our intelligent airflow system provides the ultimate in freshness. Designed to disperse air evenly throughout the fridge to ensure an optimum temperature, the airflow creates a cold wall that is evenly drawn through the refrigerator compartment. The result is fresh food that lasts a whole lot longer.

Create the ideal environment
With humidity controls on each crisper, you can create the ideal environment to keep fruit and vegetables at their freshest. By directing the airflow around the crisper, a perfect environment is maintained without drying out the produce.

Flexibility and more with Spillsafe glass shelves
Enjoy the convenience of adaptable interiors. The adjustable Spillsafe glass shelves offer great flexibility and can be altered to suit your requirements. Whats more, the shelves contain spills to help minimise mess and cleaning.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Additional domestic warranty for the sealed refrigeration system only (yrs)	3
Refrigerator Type	vertical fridge
Exterior door finish	Cabinetry required (not included)
Fridge door opening	right
Cooling system	frost free
Refrigerant	R600a

DIMENSIONS

Total height (mm)	1780
Cabinet height (mm)	1702
Total width (mm)	604
Cabinet width (mm)	595
Total depth (mm)	628
Cabinet depth (mm)	550
Food compartment capacity (gross in litres)	370
Total Gross Capacity (L)	370

ENERGY

Energy Star Rating AS/NZS 4474.2:2009	2.5
Energy consumption AS/NZS 4474.2:2009 (kWhr/yr)	270
