14 egg tray holder
14 egg tray holder

BENEFITS

Energy efficiency
Best in class energy efficiency - excellent performance whilst
using less energy

Better for the environment
Better for the environment with the use of more
environmentally friendly R600a refrigerant

Room to entertain
Designed to fit into a 900 mm wide cavity with a cabinet that is
600 mm deep

Keep food fresher, longer
An intelligent airflow system disperses air evenly throughout
the fridge. This ensures temperatures are correct throughout
the entire compartment and food is kept fresher for longer
