

**60cm fully integrated dishwasher with a black glass door panel and metal handle, full touch screen control, RealLife XXL wash system, light beam on floor, 14 place settings, 7 wash programs, and ActiveDry system.**

## Product Details

### FEATURES

---

#### LightBeam on the floor

A discrete light beam on the floor informs you when your wash is in progress or finished.

#### FlexiBasket

Enjoy the perfect combination of foldable racks and shelves with FlexiLift adjustable upper basket, and successfully load even those awkwardly shaped items with ease.

#### QuickPlus at 60oC

Our 30 minute quick wash program washes at up to 60oC and ensures great results for lightly soiled dishes.

#### Aqua Control

Peace of mind with Aqua Control anti-flood protection.

---

#### Efficient EnergySaver option

The EnergySaver feature allows you to minimise your dishwashers energy consumption when using your home hot water system (water inlet temperature of up to 60oC).

#### Auto Off

---

### BENEFITS

---

#### RealLife XXL Wash System

Now you can be creative and prepare multiple dishes without having to worry about washing up. With its extra tall tub and generous internal space, the RealLife XXL Wash System has been cleverly designed to fit those larger, awkwardly shaped items like chopping boards, pots and pans. The innovative, highly efficient FlexiSpray arm ensures water reaches all parts of the tub for a sparkling clean.

#### Take control with TimeSaver

Designed to complement your busy lifestyle, the new TimeSaver option puts you in control. You can cut the length of selected cycle times so that your dishes are ready at a time that suits you. You can also wash a full load in up to 50% less time with the Eco, FlexiWash and Intensive programs. This handy option increases the pressure and the temperature of the water to ensure fabulous wash results every time.

---

**Intelligent AutoFlex program**

Now you can let your dishwasher do the thinking for you. We know every load of dishes is different, so we created AutoFlex, an intuitive program that automatically selects the optimum temperature, water, energy and wash time. Its incredibly easy to use and offers exceptional results and efficiency. Whats more, the multi-stage AutoFlex sensors detect the degree of cleaning needed and the quantity of items in the baskets for an optimum performance.

**FlexiWash program**

Offering supreme flexibility and everyday convenience, the FlexiWash program allows you to wash delicate items like glassware with heavily soiled pieces together in one load. A higher temperature and greater water pressure in the lower basket cleans even large items like pots and pans. While a lower temperature and gentler water pressure in the upper basket carefully washes delicate items.

**MyFavourite program**

Because time is precious, we created a special MyFavourite program for your most commonly used wash cycle. This handy feature allows you to save your personal favourite wash program and use it with the touch of a button.

**ActiveDry**

Enjoy exceptional drying results with the energy efficient ActiveDry System. It cleverly uses the natural evaporation of the final hot rinse and a steam removal system to effectively dry your dishes.

## Specifications

### PRODUCT PROFILE

---

Domestic warranty details (yrs)	2
Type of Dishwashers	fully integrated
Place settings	14
Drying system	active dry
Number of spray arms	2
Top shower	Yes

### DIMENSIONS

---

Total height (mm)	818
Total width (mm)	596

### SPECIFICATION

---

Water Efficiency Star Rating	5
Water consumption (litres)	11.5
Energy Efficiency Star Rating	3
Energy consumption cold water (kWhr/yr)	308
Noise level dBA	44
Water supply	cold or hot (maximum 60°C)
Basket colour	grey
Service cord length	1.6
Inverter system	No

### BUILT-IN DIMENSIONS

---

Door panel minimum weight (kg)	2
--------------------------------	---

## DIMENSIONS

Total depth (mm)	550
Height adjustment (mm)	80
Cabinet requirement excluding worktop (height)	820-900
Cabinet requirement excluding worktop(width)	600

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
