

PureF9 Performance Filter Kit

Product Details

FEATURES

Designed for optimal filtration Washable filter

BENEFITS

High Performance Filters

Performance kit consists of an emission filter and a progressive fine dust filter, to help capture dust and allergens such as pollen in your home.

EFFECTIVE PERFORMANCE

Designed to give effective filtration when it comes to dust in your home. Wash and change your filters regularly to ensure your vacuum performs as new every day. We recommend replacing the pre-filter every 6 months, and the fine dust filter every 12 months, with regular filter cleaning every 2-4 weeks, depending on usage.

Washable Filter

The long-lasting filter is designed to be washable for easy maintenance, cleaner air filtration and optimized performance. Simply wash it under running water and let it dry before replacing.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
