### BENEFITS

---

#### The mother nature of all fridges

The new collection of fridges and freezers have been designed with the planet, and you in mind. Each unit uses a more environmentally friendly refrigerant, to significantly reduce the level of gas emissions and feature best-in-class energy efficiency\*

#### Non-synthetic refrigerant

R600a is a non-synthetic refrigerant with a significantly lower global warming potential and shorter life in atmosphere than the hydrofluorocarbon R134a used in most conventional fridges

---

#### Professionally inspired

Professionally inspired with mark resistant stainless steel doors, stunning full length handles, on classic curved doors, the new Electrolux models are built to impress!

#### Sophisticated modular design

The professional, sophisticated look of a modular designed stainless steel fridge; a true reflection of your taste and lifestyle

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
