FEATURES

Mark-resistant stainless steel Programmable oven timer Duo electric oven with 12 oven functions Unique IOI™ technology* – no manuals required

80 litre gross oven capacity

BENEFITS

Catering any occasion is a breeze. This large capacity 80 litre oven will make catering for every occasion quick and easy, while energy use is kept to a minimum

Multi task with ease. Offering a generous 80Lt (gross capacity) and a 46Lt (gross capacity) bottom oven. Larger oven interiors, adjustable shelves and multi-position rack settings make a flexible cooking space.

Intuitive by design. In order to make cooking simpler we watched how people use their ovens in real life and learnt from chefs who use programmable cooking. By doing so we have removed complexities, and designed our ovens to be intuitive to use. We call this IOI™

E:Line kitchen design
The Electrolux E:Line Collection is striking, almost sculptural in appearance. With bold lines, and manufactured from stainless steel and pewter tone glass, all Electrolux E:Line appliances share a common design aesthetic to create harmony in your kitchen
