FullFlex Telescopic Runners	Easy glide side racks	Steam Assisted Cleaning	Auto programs
Slow cooking and dough proving function	SoftMove	2 x 80ltr ovens	

BENEFITS

NEXT-LEVEL BAKING WITH STEAM
With SteamBake, you can create bakery-style bread in your own home. The added steam allows dough to rise more effectively than conventional heating. The steam helps to create an exquisitely soft centre, while the combination of hot air delivers deliciously glossy crusts.

DELICIOUS FRYING WITH MINIMAL OIL
The mesh design of the Air Fry Plus tray allows super-heated air to crisp the surface of food to deliver a mouth-watering fried taste and texture with little to no oil. Steam is added during the cooking process to help retain moisture inside the food, whilst the outside becomes deliciously crisp and golden.

PRECISE COOKING, GREAT RESULTS
Whether you're broiling beef or roasting chicken, the food probe helps you to achieve delicious results, time after time. By monitoring the core temperature of the food during the cooking process, your meats will be cooked to their succulent best. The precise sensor will even let you know when your dishes have been cooked to the desired temperature and automatically stop the process to prevent food from drying out.

ASSISTED STEAM CLEANING
Cleaning your after cooking is no longer a chore with Steam Assisted cleaning. Add water to the bottom of the oven and steam will help to dissolve grease and grime, making it easier to wipe clean any residue from the oven's surfaces.

ACCESS ALL AREAS WITH EASE

Telescopic runners make it easy for you to slide trays in and out of the oven. This provides safe, effortless access, making it easier to baste during cooking or check on how a dish is coming along. The runners also make light work of lifting and removing hot trays or heavy dishes.

PROGRAM FOR PERFECTION

Select from a large range of programs, input the weight or insert the food probe, and let the oven do the rest. Whether you're cooking roast potatoes with crispy skins, tender steaks, succulent roast chicken, or pizza for a crowd, the oven will adjust the cooking function, time and temperature to deliver the best possible results, adding steam whenever necessary.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Type of Oven	double oven
Oven fuel	electric
Materials/Colour	black,Dark stainless steel
Controls of Oven	TFT touchscreen
Cooling fan	Yes

DIMENSIONS

PRODUCT DIMENSION

Total height (mm)	1083
Total width (mm)	596
Total depth (mm)	572

FLUSH FIT CUT OUT

Flush fit cut out height (mm)	1086
Flush fit cut out width (mm)	600
Flush fit cut out depth (mm)	581

MAIN OVEN

Gross capacity litres	80
Useable capacity litres	72
Oven function	multifunction
Number of functions	17

MAIN OVEN
