BENEFITS

IOI makes cooking easy

Experience a simpler, more enjoyable way to cook. Our unique Intuitive Oven Interface (IOI) makes our ovens so easy to use you won't need a manual. Plus the elegant full colour screen displays temperature and function feedback so you can easily program and check your cooking for impressive results without the extra effort.

Elegant and effective oven display

Elegant and stylish, the full colour screen displays temperature and function feedback. The high definition full colour animation clearly shows the oven's status and proves that functional design can be beautiful too.

Huge 80L gross capacity oven

Designed for the entertainer and large families, this large capacity 80-litre oven will make catering for every occasion quick and easy. Plus, energy use is also kept to a minimum, despite its size.

FullFlex Telescopic Runners

Our FullFlex telescopic runners give you safe, easy access all areas of your oven. This makes it easier to turn and stir your food for great results every time.

Cooler touch door

For added safety and confidence in the kitchen, the cooler touch door features an innovative door cooling system with multiple glazed door panels. The door design minimises heat being transferred outside the oven, while ensuring a cooler touch oven door and cooler kitchen environment.
