BENEFITS

3 YEAR WARRANTY Because peace of mind should last as long as great design, this product has three years of trusted Electrolux support. *Available for purchases after 1 March 2026.	A TOUCH OF STEAM: THE SECRET TO PERFECT BAKING Add a touch of steam for artisan style results at home. Add water to our inbuilt well to create steam for golden crusts and soft, airy centres, ideal for bread, pastries, and delicate bakes. Because perfect texture starts with perfect moisture.
AIRFRY MEETS STEAM Get the best of both worlds, crispy on the outside, tender on the inside. By adding steam to AirFry, keep your drumsticks, chops or crumbed fish juicy whilst achieving that irresistible crunch.	TAKE THE GUESSWORK OUT OF COOKING Use the smart food probe to monitor the core temperature of your food. It automatically switches off the oven when your dish is done, so you get juicy roasts, tender poultry, and flawless results without lifting a finger.

ACCESS ALL AREAS WITH EASE

Telescopic runners make it easy for you to slide trays in and out of the oven. This provides safe, effortless access, making it easier to baste during cooking or check on how a dish is coming along. The runners also make light work of lifting and removing hot trays or heavy dishes.

TAKE CONTROL OF YOUR COOKING

The intuitive full-colour touch display provides a range of assisted cooking functions to help you achieve delicious results everytime. Use automatic settings for ideal roasting, reaheating or dough proving, or use the step by step guides for Bread & Pizzas, Meat & Fish or Vegetables.

EVEN COOKING, ON EVERY LEVEL

With Multi-level Cooking, heat is evenly distributed throughout the oven for consistent results with every dish even when all racks are fully loaded. Cook more at once and enjoy perfectly even results, every time.
