

60cm steam and pyrolytic multifunction 16 oven with Intuitive Oven Interface control system and telescopic runners

Product Details

FEATURES

Excellence with steam

IOI makes cooking easy

Elegant and effective oven display

80L gross capacity oven

Pyrolytic self-cleaning oven

BENEFITS

Excellence with steam

Steam combined with traditional hot air cooking makes good food great. The colours are richer, the food more moist and flavoursome, and your guests more satisfied.

Pyrolytic self-cleaning oven

Introducing an oven that cleans itself. Pyrolytic cleaning removes the need for you to use harsh chemicals to clean your oven. Simply set the Pyrolytic function, come back when it is complete and wipe away the residue.

IOI makes cooking easy

Experience a simpler, more enjoyable way to cook. Our unique Intuitive Oven Interface (IOI) makes our ovens so easy to use you won't need a manual. Plus the elegant full colour screen displays temperature and function feedback so you can easily program and check your cooking for impressive results without the extra effort.

Huge 80L gross capacity oven

Designed for the entertainer and large families, this large capacity 80-litre oven will make catering for every occasion quick and easy. Plus, energy use is also kept to a minimum, despite its size.

Cooler touch door

For added safety and confidence in the kitchen, the cooler touch door features an innovative door cooling system with multiple glazed door panels. The door design minimises heat being transferred outside the oven, while ensuring a cooler touch oven door and cooler kitchen environment.

Elegant and effective oven display

Elegant and stylish, the full colour screen displays temperature and function feedback. The high definition full colour animation clearly shows the oven's status and proves that functional design can be beautiful too. What's more, the Black oven range has a full black front when powered off. Yet, with just one touch from your finger, the oven display will come to life and be ready to create your next delicious meal.

Specifications
