A touch of steam for crisper crusts with our inbuilt well

AirFry

Pyrolytic self cleaning

Telescopic runners
Baste during cooking and slide trays in and out of the oven with easy access telescopic runners.

Soft close door

Quadruple glazed oven doors

BENEFITS

3 YEAR WARRANTY
Because peace of mind should last as long as great design, this product has three years of trusted Electrolux support. *Available for purchases after 1 March 2026.

A TOUCH OF STEAM: THE SECRET TO PERFECT BAKING
Add a touch of steam for artisan style results at home. Add water to our inbuilt well to create steam for golden crusts and soft, airy centres, ideal for bread, pastries, and delicate bakes. Because perfect texture starts with perfect moisture.

AN OVEN THAT CLEANS ITSELF
Pyrolytic cleaning heats the oven to a high temperature, turning grease and grime to ash. Just wipe clean afterwards no water or chemicals needed. The multi-layer glass door stays cooler to touch.

CRISPY GOLDEN RESULTS WITH LESS OIL
Love crunchy fries and golden chicken wings? AirFry gives you that irresistible crunch using powerful heat, right in your oven. No extra appliance, no extra oil. Just healthier, tasty meals made simple.

RELIABLE AND RESPONSIVE
The LED display and responsive touch buttons give you quick access and control of cooking time, temperature and other features.

ACCESS ALL AREAS WITH EASE
Telescopic runners make it easy for you to slide trays in and out of the oven. This provides safe, effortless access, making it easier to baste during cooking or check on how a dish is coming along. The runners also make light work of lifting and removing hot trays or heavy dishes.
