

90cm Dark stainless steel 17 multifunction oven with SteamBake, AirFryPlus, twin fan system, pyrolytic cleaning, Intuitive Oven Interface and food probe.

Product Details

FEATURES

AirFryPlus

SteamBake
Add SteamBake to your repertoire to enjoy fluffy, yet crisp home-baked goodies.

Twin fan system
Fans rotate in opposite directions, distributing heat evenly throughout the oven.

Colour TFT display

Smart Food Probe

Pyrolytic self-cleaning oven

PyroProof runners

Auto programs

Slow cooking and dough proving function

Soft close door

Huge 125L gross capacity oven

BENEFITS

DELICIOUS FRYING WITH MINIMAL OIL

The mesh design of the Air Fry Plus tray allows super-heated air to crisp the surface of food to deliver a mouth-watering fried taste and texture with little to no oil. Steam is added during the cooking process to help retain moisture inside the food, whilst the outside becomes deliciously crisp and golden.

NEXT-LEVEL BAKING WITH STEAM

With SteamBake, you can create bakery-style bread in your own home. The added steam allows dough to rise more effectively than conventional heating. The steam helps to create an exquisitely soft centre, while the combination of hot air delivers deliciously glossy crusts.

NO NEED FOR ELBOW GREASE

High temperature pyrolytic cleaning burns away oven grease and grime for easy cleaning, without any need for water or chemicals. Simply set the pyro program and wipe the oven clean afterwards. The oven door is also quadruple-glazed to reduce the temperature of the door during cleaning.

PYRO-PROOF RACKS & RUNNERS

For easy cleaning, the pyro-proof side racks and double action telescopic runners do not need to be removed when you select a pyrolytic oven cleaning program, simply remove the trays and shelves and clean away.

PROGRAM FOR PERFECTION

Select from a large range of programs, input the weight or insert the food probe, and let the oven do the rest. Whether you're cooking roast potatoes with crispy skins, tender steaks, succulent roast chicken, or pizza for a crowd, the oven will adjust the cooking function, time and temperature to deliver the best possible results, adding steam whenever necessary.

Specifications

PRODUCT PROFILE

| | |
|---------------------------------|----------------------------------|
| Domestic warranty details (yrs) | 2 |
| Type of Oven | single pyrolytic (pyroluxe) oven |
| Oven fuel | electric |
| Materials/Colour | Dark stainless steel |
| Controls of Oven | TFT touchscreen |
| Cooling fan | Yes |

FLUSH FIT CUT OUT

| | |
|-------------------------------|-----|
