

**8kg UltimateCare 500 Heat Pump Dryer with Sensor Dry**

## Product Details

### FEATURES

---

Reversing tumble action

Special programs for easy iron

Time drying

Woollens and silks programs

---

Drain kit included

Drains excess water so you don't need to empty the water tank manually

---

### BENEFITS

---

#### Ultimate Care Heat Pump System

The innovative Heat Pump System is kind to your clothes and your energy bills. Designed for increased energy efficiency and exceptional performance, our 7-star energy rated dryers uses significantly less energy compared to our standard condenser and gently dries clothes at a lower temperature.

#### Careful drying, every time

With Electrolux Delicate Care technology, every garment is dried at the temperature that suits it best. The fast drum movement on the wool cycle ensures wools are kept flat to reduce shrinkage. Alternatively select the silk cycle to ensure your delicate silks are gently kept aloft to keep their shape. The dryer measures the exact humidity and temperature to protect from over-drying, while the intuitive tumble action helps dry clothes more gently and evenly. So, when you open the door, your clothes will look and feel fresh and ready to wear again.

---

#### Advanced SensiCare

Your clothes will be dried almost perfectly with Advanced SensiCare. Humidity sensors are activated throughout each cycle to eliminate over drying, which can be harmful to fabrics. So, you enjoy optimal drying accuracy, along with exceptional care and performance.

---

#### Soft Touch Drum

With its raised circular texture, the Soft Touch Drum creates a gentle environment for delicate clothing by minimising prolonged contact clothing makes with the drum.

---

**Large Reversible Door**

Everyones laundry is different. Thats why we designed a large reversible door to accommodate those tight spaces and side-by-side installations. You can easily change the direction of the door opening yourself to suit your requirements. Plus, the large door size also allows you to load and unload your dryer with ease.

---

**Gentle on the ears**

Inverter technology is designed to be discreet and unobtrusive. Feel free to turn your dryer on any time of the day or night, without it interfering with anything else youre doing.

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	2
Dryer Type	heat pump
Capacity (Kg)	8
Wall mount option	no

### ENERGY

Energy Efficiency Star Rating	7
Energy Consumption (KWhr/yr)	156

### BUTTON FUNCTIONS

Reminder/Indicators	child lock,time dry,anti crease,Extra silent
---------------------	--

### DIMENSIONS

Total height (mm)	850
Total width (mm)	600
Total depth (mm)	662

### CONTROLS

Type of controls	rotary,Touch button,electronic interface
Options available	Reverse Plus,Time Dry,Dryness Level,extra silent,End Alert
Type of display	LCD
Fabric type selection	cotton,synthetics,wool,delicate

### DRYING PROGRAMS

Drying Programs	Cotton,Synthetic,Delicate,Sports,Favourite,Shirts,easy iron,mixed load,woolens,Bedding,Energy Saver,Denim
-----------------	---

## BUTTON FUNCTIONS

---

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products PtyLtd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
