Wash a 12KG load in just 45min thanks to its IntelliQuick cycle. Its UltraMix technology thoroughly dissolves detergent, preventing visible residue on your clothes. Enjoy its SmartSelect UI, allowing you to adjust washing based on your needs and guiding you save energy, time and water. The Woolmark Blue programme is as gentle as handwashing for your delicate woollen garments.

Product Details

FEATURES

Woolmark Blue
The Woolmark-certified cycle is gentle for your hand and machine washable wool garments.**The wool cycle is certified The Woolmark Company. Follow the garment care label for drying and other laundry instructions.

Vapour Refresh
Vapour Refresh program uses vapour to help remove wrinkles and odours.

SmartSelect
SmartSelect adjusts washing based on your needs, guiding you to save energy, time and water.

Sanitise
Sanitise program wash and steam above 60°C to remove more than 99.99% of common bacteria & viruses.*** Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 ("Test Report No. 202120117, 20232072").

DelicatePlus
DelicatesPlus provides gentle care for all your delicates, helping them last for longer.

UltraMix
UltraMix technology thoroughly dissolves detergent, preventing visible residue on your clothes.

SensorWash
SensorWash sensors help to remove up to 53 different stains without pre-treatment or pre-washing.* *Tested on 5kg load stains from food, household and personal products using Cotton 40°C cycle + StainPro option. Results may vary depending on factors such as models, load size, type and duration of soiling, detergent type and water hardness.

IntelliQuick
IntelliQuick selects the best suited programme based on your laundry load size for precise care.

BENEFITS

QUICK 12KG WASH IN 45 MINS

New IntelliQuick smartly selects the quickest programme based on your laundry load for precise care and cleans a full load in 45 minutes. This removes any pre-laundry stress by providing efficient cleaning with the precise level of care for your clothes, making them last longer without additional energy or water usage.

PROTECT AND CARE FOR WOOL

The Wool Care programme is suited for machine washable wool cleaning and drying without shrinking.

NO VISIBLE DETERGENT RESIDUE*

With the UltraMix technology, detergent and softener are thoroughly dissolved and activated before they enter the drum. This helps to ensures that your clothes are cleaned with no visible detergent residue at the end of the cycle.**Tested on a 3kg mixed load, using recommended powder detergent dosage. Results may vary depending on load size, detergent type and water hardness.

RIGHT SETTINGS TO HELP SAVE

Select the cycle and tune the intensity according to your needs. Based on your choice, SmartSelect will provide feedback, adjusting the programme length and temperature, guiding you to save energy, time and water.

SANITISE YOUR CLOTHES*

The Sanitise Program, verified by Swissatest, combines a wash cycle and steam at above 60°C to remove more than 99.99% of common bacteria and viruses*. Pollen and allergens are also reduced for hygienically clean clothes after every wash.* Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 ("Test Report No. 202120117, 20232072").

DEDICATED CARE FOR DELICATES

DelicatesPlus helps extend the lifetime of your favourite clothes with optimised drum and washing motion and speed. DelicatesPlus is designed to offer gentle care for all your delicates, including premium cottons helping them last by reducing wear and tear from washing over time.

REFRESH WITHOUT WASHING

Quickly revitalise your garments and smooth out creases in under 30 minutes with the VapourRefresh cycle. Your clothes will emerge refreshed, with less wrinkles compared to air drying.**Less wrinkles vs. air drying - tested and certified by THTI

PERFECT WASHING WITH SENSORS

Wash out stubborn stains without the need for pre-treatments. SensorWash technology uses unique sensors to automatically detect dirt and soil levels and then adjusts the cycle duration accordingly. Can help to remove up to 53 different visible stains including oil, ketchup, fruits puree and pizza.**Tested on 5kg load stains from food, household and personal products using Cotton 40°C cycle + StainPro option. Results may vary depending on factors such as models, load size, type and duration of soiling, detergent type and water hardness.
