Vapour Refresh program uses vapour to help remove wrinkles and odours.

Gentle Drum
More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning.

Extra-Large Door Opening

The "Favourite" program
allows you to save your favourite wash at the touch of a button

Cycle start/pause button

Special programs for easy iron

Extra rinse wash option

BENEFITS

Time Manager
Created to adapt to busy lifestyles, Time Manager puts you in control of every wash. Featuring both a variable wash time and delayed start, this convenient feature lets you select the time you want your wash to end. You can do your wash whenever it suits you. There is even an 18-minute Quick Wash for those lightly soiled items that you need washed super fast.

Woolmark Apparel Care
Taking care of your precious woollen garments is now even easier with our advanced Woolmark Certified Woollen cycle. Created especially for machine washable woollen garments, you can now safely dry your woollens without shrinkage.

Silent Inverter Motor
Enjoy better care for your clothes with our super-efficient inverter motor. Its not only durable, but also saves on energy too. While a 10-year warranty ensures peace of mind (motor parts only).

Gives your clothes the superior care they need
Jetsystem gives a constant, gentle shower that massages the water and detergent through your wash

Vapour Action

Vapour Action helps keep your clothes looking and feeling as good as new. This innovative 21-minute Refresh program helps revive and freshen garments without water or detergent. The cycle uses vapour to remove wrinkles and odours, so you can revitalise tired-looking clothes with ease.

Gentle Drum

Designed to minimise the stretching of fabrics and provide a softer wash, the Gentle Drum ensures excellent wash results every time. Its smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling your clothes during high-speed spinning. Clothes are also lifted and rotated gently in the drum for an exceptional washing performance.

Extra-Large Door Opening

The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

MyFavourite program

Because time is precious, we created a special MyFavourite program for your most commonly used wash cycle. This handy feature allows you to save your personal favourite wash program and use it with the touch of a button.
