

**The 7.5kg 1200rpm maximum spin speed front load washing machine comes with a convenient pause to add clothes button, 11 wash programs including a fast Daily 60 program, and Quick 15 option too for those smaller loads you need in a hurry.**

## Product Details

### FEATURES

---

#### Add Clothes

With our Pause To Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 Celsius.

#### Inverter motor

The inverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts and labour inverter motor warranty ensuring peace of mind.

#### Everyday programs

Wash everyday with the Daily 60 minute program or use the Quick 15 minute program for small loads needed super fast.

#### Extra-Large Door Opening

#### Gentle Drum

More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning.

---

### BENEFITS

---

#### Efficient inverter motor

Help reduce your energy needs\* with a powerful and reliable inverter motor that also reduces vibration and noise in the laundry. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. \*vs conventional non inverter motors

#### Quick 15 program

Allows for a quick wash for small or lightly soiled loads, making washing flexible and supporting a busy lifestyle

---

#### Gentle Drum

Designed to minimise the stretching of fabrics and provide a softer wash, the Gentle Drum ensures excellent wash results every time. Its smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling your clothes during high-speed spinning. Clothes are also lifted and rotated gently in the drum for an exceptional washing performance.

#### Extra-Large Door Opening

The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
