Full Wash 45
Experience fast and energy efficient full-load cleaning at 30°C in just 45 mins.*Comparing Full Wash 45 program with longer Cotton 40°C program.

UltraMix
UltraMix technology thoroughly dissolves detergent, preventing visible residue on your clothes.

DelicatePlus
DelicatesPlus provides gentle care for all your delicates, helping them last for longer.

BENEFITS

FULL LOAD WASH IN 45 MINS

Experience fast, efficient full-load cleaning with UltimateCare Full Wash 45. Suited for mixed fabrics, coloured cottons, and daily wear with light soil levels. Full Wash 45 cleans at 30°C in just 45 minutes. Fast and energy efficient while providing better care for your clothes at lower temperature.*Comparing Full Wash 45 program with longer Cotton 40°C program.

NO VISIBLE DETERGENT RESIDUE*

With the UltraMix technology, detergent and softener are thoroughly dissolved and activated before they enter the drum. This helps to ensure that your clothes are cleaned with no visible detergent residue at the end of the cycle.**Tested on a 3kg mixed load, using recommended powder detergent dosage. Results may vary depending on load size, detergent type and water hardness.

DEDICATED CARE FOR DELICATES

DelicatesPlus helps extend the lifetime of your favourite clothes with optimised drum and washing motion and speed. DelicatesPlus is designed to offer gentle care for all your delicates, including premium cottons helping them last by reducing wear and tear from washing over time.

SANITISE YOUR CLOTHES*

The Sanitise Program, verified by Swissatest, combines a wash cycle and steam at above 60°C to remove more than 99.99% of common bacteria and viruses*. Pollen and allergens are also reduced for hygienically clean clothes after every wash.* Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 ("Test Report No. 202120117, 20232072").

RIGHT SETTINGS TO HELP SAVE

Select the cycle and tune the intensity according to your needs. Based on your choice, SmartSelect will provide feedback, adjusting the programme length and temperature, guiding you to save energy, time and water.
