

9kg front load washer, with Daily 60 program, 4 star energy and 4 star WELS rating. This washer features JetSystem, Woolmark Blue certification and vapour refresh option

Product Details

FEATURES

Woolmark Blue Certified

Jetsystem

Jetsystem gives a constant, gentle shower that massages the water and detergent through your wash

Extra-Large Door Opening

Add Clothes

With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.

Gentle Drum

More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning.

Save your favourite program

EcoInverter

The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts & labour inverter motor warranty ensuring peace of mind.

BENEFITS

Gentler on your clothes

Jetsystem is a constant, gentle shower that massages the water and detergent through your wash to give your clothes the superior care they deserve

Woolmark Blue Accreditation

Taking care of your precious woollen garments is now even easier with our advanced Woolmark Certified Woollen cycle. Created especially for hand wash only woollen garments, you can now safely dry your woollens without shrinking.

Extra-Large Door Opening

The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

Hygienic clean. Vapour care

Electrolux front load washers with vapour option removes up to 99.2% of Der f1 (dust mite) and Fel d1 (cat allergen) and up to 99.9% of Staphylococcus aureus and Klebsiella pneumonia during a 40C cottons wash.

Hand it to us

You can safely trust your Electrolux to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle enough even for your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Quietly efficient

Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs Electrolux non inverter motors

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
