Product Details

FEATURES

Distinct European Styling

High performance 1400 rpm
spin cycle

Time Manager with Jetsystem
wash system

4.5 star WELS rating

11 wash programs with
synthetics, delicates, wools,
silk, iron, hand wash &
bedding settings

8kg capacity

Easy to access incline drum

BENEFITS

Gives your clothes the superior care they need
Jetsystem gives a constant, gentle shower that massages the
water and detergent through your wash

Set your own wash time
The Time Manager System allows you to choose a time that
suits you and your wash, so that you can enjoy greater control
over the time you need to wash clothes

Angle wash drum for easy reach
The ergonomic design feature of the incline drum means you
can load and unload a wash with comfort and ease

Premium water efficiency
Premium wash efficiency with a 4.5 star WELS water rating.
The unique wash system adjusts the amount of water used
according to the size of the load. This means you only use the
water you need
