10kg wash & 6kg dry washer dryer combination, with 5 star energy and 4.5 star WELS rating. This washer dryer is Wi-Fi enabled and features the latest SensorWash technology, UltraMix + Jet system, Woolmark Blue certification (wash) and vapour refresh options.

Product Details

FEATURES

High performance 1400 rpm spin cycle

Gentle Drum
More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning.

Extra-Large Door Opening

Add Clothes
With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.

5 Energy Stars rated

Save your favourite program

Woolmark Blue Certified

EcoInverter
The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts & labour inverter motor warranty ensuring peace of mind.

BENEFITS

Hygienic Care
Electrolux front load washers with Hygienic Care option selected remove up to 99.2% of Der f1 (dust mite) and Fel d1 (cat allergen) and up to 99.9% of Staphylococcus aureus and Klebsiella pneumonia during a 40C cottons wash.

Intuitive and intelligent
Keep colours bright, whites startling and blacks dark. Smart sensors automatically detect the soil and detergent levels to adjust the washing time for optimal, energy-efficient results that reduces unnecessary wear on fabrics.

Extra-Large Door Opening
The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, you will enjoy better visibility so you never miss those smaller items.

Quietly efficient
Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs Electrolux non inverter motors

REMOVES 49 VISIBLE STAINS*
Wash out all kinds of stubborn stains with ease, without the need for pre-treatments. SensorWash technology automatically detects dirt and soil levels and adjusts the cycle duration accordingly to effortlessly remove 49 different visible stains.**Tested on 4.5kg load with 5cm2 stains from food, household and personal products using Cotton 40C + Stain Cycle. Results may vary depending on factors such as load size, type and duration of soiling, detergent type and water pressure.

Hand it to us
You can safely trust your Electrolux to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle enough even for your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.

Deeper clean
Say goodbye to detergent or soil residue on your freshly washed garments. UltraMix ensures detergent is fully dissolved before it reaches your fabrics for 40% less colour fading after 52 washes, even using cold water.
