Product Details

FEATURES

Woolmark Blue
The Woolmark-certified cycle is gentle for your hand and machine washable wool garments.**The wool cycle is certified The Woolmark Company. Follow the garment care label for drying and other laundry instructions.

UltraMix
UltraMix technology thoroughly dissolves detergent, preventing visible residue on your clothes.

DelicatePlus
DelicatesPlus provides gentle care for all your delicates, helping them last for longer.

Sanitise
Sanitise program wash and steam above 60°C to remove more than 99.99% of common bacteria & viruses.*** Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 ("Test Report No. 202120117, 20232072").

DuvetCare 60
DuvetCare 60 uses heated vapour to treat and dry your king-sized duvets* or comforters in 60 mins.**King-sized duvets only suitable for in 12/13 kg machines. Smaller sized duvets suitable in all machines. **Compared to a normal wash and dry cycle.

CareDrum
CareDrum, with its unique water-cushion technology, gently cares and protects your laundry.

IntelliQuick
IntelliQuick selects the best suited programme based on your laundry load size for precise care.

SensorWash
SensorWash sensors help to remove up to 53 different stains without pre-treatment or pre-washing.* *Tested on 5kg load stains from food, household and personal products using Cotton 40°C cycle + StainPro option. Results may vary depending on factors such as models, load size, type and duration of soiling, detergent type and water hardness.

BENEFITS

WASHABLE WOOLLEN SAFE

Confidently dry your most precious woollen garments that are labelled machine or handwashable. Our Woolmark Blue certified dryers meet specified criteria that protects wool fibres from damage during the drying, helping to preserve your woollens for longer. *The wool cycle is certified by The Woolmark Company. Follow the garment care label for drying and other laundry instructions.

NO VISIBLE DETERGENT RESIDUE*

With the UltraMix technology, detergent and softener are thoroughly dissolved and activated before they enter the drum. This helps to ensures that your clothes are cleaned with no visible detergent residue at the end of the cycle.**Tested on a 3kg mixed load, using recommended powder detergent dosage. Results may vary depending on load size, detergent type and water hardness.

DEDICATED CARE FOR DELICATES

DelicatesPlus helps extend the lifetime of your favourite clothes with optimised drum and washing motion and speed. DelicatesPlus is designed to offer gentle care for all your delicates, including premium cottons helping them last by reducing wear and tear from washing over time.

SANITISE YOUR CLOTHES*

The Sanitise Program, verified by Swissatest, combines a wash cycle and steam at above 60°C to remove more than 99.99% of common bacteria and viruses*. Pollen and allergens are also reduced for hygienically clean clothes after every wash.* Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 ("Test Report No. 202120117, 20232072").

TOTAL DUVET CARE IN 60 MINS

DuvetCare 60 uses heated vapour to treat and dry your king-sized duvets* or comforters in just 60 minutes. The heated vapour helps reduce water and energy consumption** while removing odours like sweat and reducing dust mites in one simple programme. *King-sized duvets are only suitable for 12/13 kg machines. Smaller*sized duvets suitable for all machines. **Compared to a normal wash and dry cycle.

GENTLE CARE FOR YOUR LAUNDRY

CareDrum lets garments glide smoothly due to its elevated cushion-like drum pattern and lifter paddle. Thanks to the unique pattern of the drum, it is gentle on your clothes.

QUICK 12KG WASH IN 45 MINS

New IntelliQuick smartly selects the quickest programme based on your laundry load for precise care and cleans a full load in 45 minutes. This removes any pre-laundry stress by providing efficient cleaning with the precise level of care for your clothes, making them last longer without additional energy or water usage.

PERFECT WASHING WITH SENSORS

Wash out stubborn stains without the need for pre-treatments. SensorWash technology uses unique sensors to automatically detect dirt and soil levels and then adjusts the cycle duration accordingly. Can help to remove up to 53 different visible stains including oil, ketchup, fruits puree and pizza.**Tested on 5kg load stains from food, household and personal products using Cotton 40°C cycle + StainPro option. Results may vary depending on factors such as models, load size, type and duration of soiling, detergent type and water hardness.
