---

MaxiZone

PowerBoost

Hob2Hood technology

Touch and slide controls  
Touch the control bar at the  
necessary heat setting

---

STOP + GO function

Timer and minute minder

---

### BENEFITS

---

#### 3 YEAR WARRANTY

Because peace of mind should last as long as great design, this product has three years of trusted Electrolux support.

\*Available for purchases after 1 March 2026.

#### FEWER VISIBLE SCRATCHES, FOR LASTING ELEGANCE

SaphirMatt SE hobs combine smooth matte-black elegance with durable performance. Designed to enhance every kitchen, looking new for longer with up to 3X less visible scratches than our standard ceramic glass hobs\*. \*Based on abrasion tests conducted by an external Swiss laboratory in accordance with international standard IEC 60068-2-70. Scratch visibility is assessed internally in comparison to our standard ceramic glass hobs without special treatment or coating.

---

#### SMART SENSORS, OPTIMAL RESULTS

No more boil-overs or burnt food. With SenseBoil & Fry, smart sensors intuitively lower the cooktops heat, preventing your pot from boiling over or your fried food from burning for even and consistent results

---

#### TWICE THE COOKING SPACE

Need extra space? DoubleBridge combines two zones into one larger surface, balancing heat and timing automatically. Its Ideal for plancha grill plates, large pots and roasting pans.

---

#### HANDS-FREE HOOD

The hoods fan speed adjusts automatically while you cook, keeping the air clean and fresh so you can focus on your favourite dishes.

---

#### SEAR. STIR-FRY. BOIL.

Instant heat when you need it. PowerBoost delivers a quick burst of heat for rapid boiling, searing, and stir-frying, then automatically adjusts to keep your cooking steady.

---

**TIMED TO PERFECTION**

Set individual timers for each cooking zone that automatically switch off when time is up. Perfect for multi-tasking, whether preparing for dinner party guests or a family gathering.

---

**SLIDE FROM SEAR TO SIMMER**

The PowerSlide function allows you to slide your pots between the three pre-set temperature zones so that you can easily control the cooking levels. This is ideal for bringing sauces to the boil, simmering and then keeping warm for tastier results.

---

**INTUITIVE TOUCH CONTROLS**

Sensitive touch controls take you from simmering to boiling and back again, almost instantly. This controllability allows you to apply precise changes that can take your dishes from tasty to truly delicious. Pan-sear steak with intense heat, and then instantly drop the temperature down to protect that beautifully juicy, medium-rare texture.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
